Pennington June 24<sup>th</sup> /66

My dear Sir.

You know perhaps that I am here and I now write you about your interests. I did all that I could for you when in N York, and all that I felt that I was empowered to do. I saw Judge Wright on my way to the steamer that brought me to Charleston. Since coming to Charleston I received a letter from him in connection with your Peckens land. Since coming here I (last evening) recd. your dated Melbourne June 14<sup>th</sup> containing a plot of your Peckens property. I shall send that plot by tomorrow mail, to Judge W. and write him in accordance with what you express in your note. Had I been empowered to close in an arrangement with the Judge when I wrote I think that I would have done so und to your advantage but as things stand I can do no more than write. When I was in N York the moment appeared opportune, and it may be that

The future in the Country is uncertain  
and no one can foresee what a day  
may bring forth in the North -

Yours truly

Thos. G. Benson
